## Confirmation Service Hours-Due Spring of 2013

Living a life of service is part of being Catholic. Over the next several months you will have the opportunity to be the face of Christ to others. You will need to participate in **20 hours in three areas**. The 3 areas you will need a minimum of 5 hours in include: **Family, Church, and Community**. The remaining 5 hours can be in any of the three areas of your choosing. You may choose to complete the service alone, with your sponsor, or with a group. The purpose of volunteering in these 3 areas is to experience different avenues of sharing your time and talents with others. Try something new! Remember that service is a free gift of yourself therefore you should not receive payment for your service hours or count the hours of tasks you are normally expected to do. You may record service hours from September of 10<sup>th</sup> grade through May of 11<sup>th</sup> grade. Your hours need to be confirmed with a signature from an adult who organized the event. You may turn in the hours as you complete the service and we will keep them on file for you. Or, turn in all recorded hours by Spring of 2013. A definitive date will be scheduled at a later time.
